Customer Reviews

This is a beautiful set, the only problema was that in the first day of use some numbers start to lose the paint :(, so sad.

Woaw. This dice really are awesome. Nice, beautiful and so changeling. A must have for avid fans.

These dice - are amazing. If I could, I would give them 6 stars. I have no IDEA what makes them so stellar.... but... they always roll high. I know, I know, amazing rolls all the time make for boring games - except when the ST is also using a set that rolls well. All the changing dice sets we've used have just... incredulously rolled successes. There must be some defect about the mold or the plastic or paint on the dice, but they like to land on 8's 9's and 0's. Have fun!

Well yeah, they're dice. They're colored or themed to that of the Changeling game. The numbers that indicate successes rolled are highlighted for a quick count. I snagged them up to show support

to the new Changeling line and game.
