Chaos: A Scarpetta Novel (Kay Scarpetta Book 24)

Synopsis

#1 New York Times bestselling author Patricia Cornwell returns with the remarkable twenty-fourth thriller in her popular high-stakes series starring medical examiner Dr. Kay Scarpetta. In the quiet of twilight, on an early autumn day, twenty-six-year-old Elisa Vandersteel is killed while riding her bicycle along the Charles River. It appears she was struck by lightningâexcept the weather is perfectly clear with not a cloud in sight. Dr. Kay Scarpetta, the Cambridge Forensic Centerâs director and chief, decides at the scene that this is no accidental Act of God. Her investigation becomes complicated when she begins receiving a flurry of bizarre poems from an anonymous cyberbully who calls himself Tailend Charlie. Though subsequent lab results support Scarpettaâs conclusions, the threatening messages donât stop. When the tenth poem arrives exactly twenty-four hours after Elisaâs death, Scarpetta begins to suspect the harasser is involved, and sounds the alarm to her investigative partner Pete Marino and her husband, FBI analyst Benton Wesley. She also enlists the help of her niece, Lucy. But to Scarpettaâs surprise, tracking the slippery Tailend Charlie is nearly impossible, even for someone as brilliant as her niece. Also, Lucy canât explain how this anonymous nemesis could have access to private information. To make matters worse, a venomous media is whipping the public into a frenzy, questioning the seasoned forensics chiefâs judgment and "a quack cause of death on a par with spontaneous combustion."

Book Information

Print Length: 400 pages

Publisher: William Morrow (November 15, 2016)
