## Synopsis

Learn the universal wisdom encoded in the study of the stars: A 7,000-year-old science is distilled into a 44-card set and an accompanying booklet for easy-to-understand guidance. Covering all the basics from body types, signs, and houses, this deck helps you identify how your body type relates to your personality and your character strengths, and reveals whether it is the willful Sun, nurturing Moon, or expansive Jupiter that rules you. Accessible and easy to use, this deck will enable you to open the door to the ancient wisdom of Vedic astrology within minutes. Vedic astrology, also known as Jyotish, or the science of light, can help you understand aspects of your essential self and your relationship to the world. The Vedic Astrology Deck, which organizes this ancient science in an approachable way, helps you develop the ability to identify some of the core components that make up the Vedic astrological system, as well as begin to read your own horoscope and those of others. The deck and accompanying booklet reveal your unique relationship to the planets that influence your personality, mind, and soul and guide you in all matters of life, from career to love to health.

## Customer Reviews

I am very unhappy with this purchase. The CD-ROM was in terrible condition with deep black marks all over the surface. Just as bad, this CD-ROM is incompatible with the Windows x64bit software system. I will have to return the CD-ROM to Mandala Publishing for a version that works with my very standard software system. Mandala Publishing requires that I send them a check for six dollars to cover their return shipping expenses to send me a clean and appropriate CD-ROM, something

they should have done in the first place. I will revise this review if I get timely and appropriate service from this publisher. Beware! This publisher has no real quality control.
