# The Life Of Mohammed (A Taste Of Islam)

## **Synopsis**

Mohammed's life is an epic story. He was an orphan who rose from poverty to become the first ruler of all of Arabia. He created a new religion, new methods of war and a new political system including a legal code, the Sharia. Mohammed was the world's greatest warrior. Today no one wages war in the name of Caesar, Alexander the Great, Napoleon or any other military leader. However, every year many people die because of Mohammed. After 1400 years, Islam is more powerful than it has ever been. Mohammed said that one day all of the world would live under his rule of law. To understand Islam, you must know the life of Mohammed. Every Muslim's desire is to live a life identical to his. His every word and deed are the perfect model for being a Muslim. Every Muslim is a Mohammedan. The religion of Islam is not about worshiping Allah; it about worshiping Allah exactly as Mohammed did. This book is unique. It is concise, but it is completely authoritative. The reference system allows you to verify all information.

If you want to understand Islam, you must read and understand the life of Muhammad and the Koran. If you are a Muslim, the Koran is the Unaltered word of Allah as transmitted to Muhammad by the angel Gabriel. If you are not a Muslim you should still know what the Sira and the Koran actually say. If you want to hold an informed opinion about Islam, terrorism, etc. knowing the Koran, Sira, and Hadith, is critical and the Center for Political Islam offers the easiest path to a solid understanding of Islam. The great thing about the Simplified Koran is that it has excerpts from the life of Muhammad, this Sira, so you know the context of what was going on in his life when he got these

revelations, and every paragraph is referenced, so you can look it up online. The references are critical. You will find yourself with many WTF moments when reading. Going to Wiki Islam or other online sources may only compound your sense that the prophet was perhaps a crazy megalomaniac. Islam requires a certain cognitive dissidence where you have to hold as true multiple contradictory ideas. There are also just plain bizarre things that are not explained like the two giant transparent women in paradise. Know that most Muslims have a very sketchy understanding of Islam. Islam means submission and the only important thing is that Muslims all submit to Islam, and that we, non-Muslims, submit to Muslims. Islam is both the peaceful Islam of Mecca, and the violent Islam of Medina. Islam is a series of tactics to gain supremacy over the world. 1) Be peaceful and gain acceptance and tolerance, 2) Gradually get concessions to Islam, bit by bit. 3) Take over 4) Eliminate the Heretics and Apostates. This is the program Muhammad followed first in Medina and then later in Mecca.
