Skip Langdon Mysteries Vol. 2-9 (The Skip Langdon Series)

Synopsis

BOOKS 2-9 of the EDGAR AWARD-WINNING murder mystery series are now available in a box set for a KILLER price! Follow the remarkably bold, smart, and refreshingly human New Orleans detective Skip Langdon through the twists and turns of New Orleans--from raucous Mardi Gras to the swampy summertime--as she navigates deadly family secrets, tracks down a serial killer, and delves deep into the mastermind of a psychopath unlike any you've ever encountered...For fans of police procedurals, mysteries featuring smart, capable, imperfect women sleuths, and, of course New Orleans!

AXEMAN'S JAZZ What's the perfect killing field for a murderer? A place where he (or maybe she) can learn your secrets from your own mouth and then make friends over coffee. A supposedly "safe" place where anonymity is the norm. The Axeman has figured it out and claimed his territory--he's cherry-picking his victims in the 12-Step programs of New Orleans.

JAZZ FUNERAL Skip Langdon is there when Ham Brocato, director of New Orleans Jazzfest, is discovered dead on the kitchen floor in the middle of his own party the evening before the Fest. The victim's sixteen-year-old blues musician sister has disappeared, and Skip suspects that if she isn't the murderer, she's in mortal danger from the person who is.

DEATH BEFORE FACEBOOK Geoff Kavanagh, 31 years old, splits his time between science fiction novels and cyberspace in his parents' dilapidated, overgrown, uptown New Orleans mansion. Until his mother finds him dead from a suspicious fall off a ladder. Maybe he should never have posted about seeing his father murdered.

Decades-old skeletons start falling out of every closet

NOPD Detective Skip Langdon opens.

HOUSE OF BLUES Sugar Hebert arrives home from a ten-minute errand to find her husband shot to death and the rest of her family missing--including her daughter Reed, heir apparent to the Hebert restaurant dynasty, and Reed's eleven-month-old daughter. Before long, the mob's involved, and so are family secrets so ugly they'd make Tennessee Williams wince.

THE KINDNESS OF STRANGERS Politics makes the strangest bedfellows of all, and in New Orleans, a psychopath's running for mayor. Not just the usual harmless megalomaniac--a murderer and a monster. His supporters and a good proportion of would-be voters think he's just a kindly preacher-man and handily crucify anyone who says otherwise. But Detective Skip Langdon, who met the Rev. Errol Jacomine on a case, knows he's the personification of evil, and can point to a pile of corpses to prove it.

CRESCENT CITY CONNECTIONS Sure, New Orleans is known for corruption, but suddenly the good guys get a break--an honest police chief. And then someone guns him down. When a terrifying organization called The Jury takes out the cop-killer, Detective Skip Langdon's on the case. But no one cares! After all, the guy was a cop-killer. Skip cares--a lot. She suspects The Jury's the brainchild of her old nemesis, self-described preacher Errol

Jacomine. 82 DESIREIt seems Councilwoman Bebe Fortier has misplaced her equally prominent husband, United Oil VP Russell Fortier. Across town, part-time detective/poet Talba Wallis would like to know what Russell Fortier's disappearance has to do with her. But the private investigator who hired her to spy on Fortier can't help; he's lying in his office with a bullet in his chest. Reporter Jane Storey, walking down the same mean, sultry street, might be able to help, or maybe she's being played by a tipster with a malevolent agenda. MEAN WOMAN BLUEThe Rev. Errol Jacomine is crazy as a fox and more dangerous than a cell full of serial killers. Detective Skip Langdon, has twice smashed his criminal endeavors, yet each time he's managed to slip away. Now he's mad. In both senses of the word. And he has the connections to have her killed "or worse

Customer Reviews

I had read some of these before -maybe when they first came out in the 1990's but I really enjoyed these so much more as a series.Skip is . the detective who thinks she is "plain" but many others consider her Amazing She is the heroine and her sidekicks aremany and all good characters. Her

family is a pain but she makes her own family.

Great character development of Skip, a very likeable police detective. Love that the books take place in NOLA. Very interesting stories.

The characters are so imperfect and so endearing that you cannot help loving them. I recommend the Talba Wallis series, as well.
