# Awakening To Kali: The Goddess Of Radical Transformation

Synopsis

The sages of Tantra taught that when we follow the path of Shakti, the sacred feminine principle personified by the goddesses of yoga, we awaken the full potential of our own inner energies. Kali, teaches Sally Kempton, may be both the most powerfulâ"and misunderstoodâ"goddess of all.Kaliâ"her name means â œBlack Oneâ•â"is the original Dark Goddess, whose hidden gift is ecstasy. She brings both fierceness and love, destruction and rebirthâ"and untamed courage and freedom for those willing to fully comprehend and embrace her many gifts. In this e-book, readers are invited to explore teachings, stories, meditations, prayers, poems, mantras, invocations, and rituals to align with this cosmic force of radical transformation.

As a lover/worshipper of Kali, this book really spoke to me. It is well rounded and speaks of Kali on many different levels, that as an archetype, Goddess, Western, Eastern, Shadow and Light. I very much enjoyed this book.

I have had an affinity to Kali for several years. I appreciate the way she is presented in this book and the meditations. What may seem like shadow truly is an avenue for shifting that which no longer

serves.

This is a great introduction book for learning about Kali. I loved how clear and easy it was to follow, and what a quick read it was. Wish it was in paperback!

This read came at the perfect time for me. Would suggest to all on the enlightened path.

I got this book unsure what to expect. It draws you in and teaches you a lot.

Vintage Sally. Outstanding as always.

Will be working on integrating these practices in my daily life. I loved how the writer used stories to illustrate the key points. Loved it!

This is a delightful work giving clear and insightful instruction about Kali, Shakti and how to make the best use of some very powerful mantras.
