Shades of the Empire is a excellent sourcebook about nine representative organizations in the Old World. Each organization help to make the life in the Old world more vivid for the GM and PC. It also feature a new path of witch careers with the Hedge wizards. They have, also, their own specific spell list. All the organizations have extensive descriptions perfectly in accordance with the Warhammer flavour.

want to know the river ways of the old empire, Further the career of being a merchant or just adding more income to each adventure. This is the book for you.

The groups detailed in this book are very well described and greatly useful in any wfrp game. I would recommend this book just for the reading value even if you dont want to use any of the

groups listed specifically in your campaign.
