Mon Mothma asked for a full report on Rebel Forces... well she got more than what she asked for. Now Rebel Alliance is gettin crowded with a new alien race: Earthlings!!! This book is perfect for both the GM and the player, it contains history, short stories illustrating each chapter, new rebel ships, npcs, equipments, politic and military organizations, operational standards... You will just feel like a Tatooine farm boy when he first meets the Rebellion, in complete awe by its size, organization, people and ideals... May the Force be with you... Always

If you like the old d6 Star Wars RPG from West End Games and the classic trilogy of movies, this book is a must buy! Here you can find all sorts of information about the Rebel Alliance and it's enough to run rebel based games for a long time.

The Rebel Alliance Sourcebook gave me a whole lot of information on the Rebel Alliance, which has proven very useful in my gaming experience.
