## Customer Reviews

Not to brag but I'm an expert at Angry birds star wars. This is the best guide out there. It's is amazing especially the countless tricks it gives to get one past the tough stages. I've learned lots of new tricks here. Thanks for everything.

I just bought this book at the last week and started playing (ANGRY BIRDS STAR WARS 2)with help of it. I am really surprised, I never got such highest score in this game before it. It's really a great instructions guide in very simple language, So quite easy to understand by everyone. One must say thanks to author.
