## Hunter Book Innocents \*OP

## Synopsis

"Monsters exist. What's so hard to understand? The hard part is helping them. If we don't, we're no better." Innocents: the unabashed, direct and accepting among hunters. The Innocent recognize that monsters were once people; that there's a fine line between human and inhumane, and that even hunters can cross it. Innocent's naive? No. Assuming all creatures are evil - that's naive.

Hunter Book: Innocents is the third in a new Hunter: The Reckoning series dedicated to the creeds, the character types of the imbued. Learn Innocents' philosophies, motives and ultimate goals in the struggle against the supernatural. Innocents strive for peace. They accept those creatures that are deserving, but are prepared to condemn the remorseless - and all these new powers and tools further the cause. Who said the meek would inherit the Earth?

## Customer Reviews

The book does a good job in describing the Innocent role in the Hunter society. They bring balance to the rest of gun slinging hunters who shot a supernatural at first sight. The book also very well tells about the Innocent's struggle when force is unavoidable. I hope White Wolf keeps up the good work

Thes guys can be annoying but pretty funny. A good player can go use this book to keep your sessions going a lot longer.
