Customer Reviews

This is a wonderful devotional! There are many quotes and stories of various Celtic saints - some familiar and some not. There is a suggested reading from the Old Testament, Psalms and New Testament for each day. There are prayers, poetry, wise sayings, wonderful teachings. I've used devotionals by other 'Christian writers and this is my favorite!

I have only just started this book (it is a daily devotional) but so far am liking it. It gives 3 Bible references to read which will enable one to read the whole Bible in a year. I was not expecting this. The devotion readings are fairly short but pithy. I think I will enjoy using this book over the coming year.

This is an excellent daily devotional guide. The three recommended biblical references each day include one from the Psalms, one other from the Old Testament and one from the New Testament. Each day has a short title directed to the devotional reading for the day. The large diversity of sources (individuals across the centuries) around which each of the daily readings are developed

are impressive and highly beneficial. A brief thought (prayer, quote, poetry, etc) ends each daily devotion. This devotional was used each day for a year and I am just starting it again due to its nature and value. One is challenged each day to blend the scripture selections, devotional comments, and closing thought into a meaningful, beneficial, enjoyable experience.

I love this book. It is inspiring and uplifting.

Very good
