# The Impersonal Life

## Synopsis

The Impersonal Life is one of the key books written on the topic of self-discovery and leading a spiritual life. Author Joseph Benner penned this book as Anonymous in the early 20th century, and it has been a popular title among millions of readers since. The Impersonal Life is highly recommended for those who are interested in learning how to lead a spiritual life and are in the process of self-discovery. FROM THE AUTHOR: I AM the Tree of Life within you. My Life will and must push forth, but It will do it by gradual and steady growth. You cannot come into your fruitage before you have grown to it. Remember, My Life is all the time building you up into the perfection of health and strength and beauty, that must express outwardly as It is even now expressing within. You who have begun to realize I AM within, but have not yet learned to commune with Me, listen and learn now. \*\* As seen in the new movie "Elvis & Nixon" starring Michael Shannon & Kevin Spacey to be released April 2016 and recommended by Dr. Wayne Dyer! \*\*

I am a person that in my life has had much success. I have made money, traveled, fulfilled my heart desires more than most people when it came to material things. I was blessed by this, but not because I was able to attain them, but because I realized that they did not make me happy. Each time I was able to succeed in getting something it felt great, but there was something always missing. That something was God. I knew it although. So being catholic I turned to my church. I felt God would come to me there, but He did not. I knew that I felt God when I did something good. I always

felt something was inside of me that was great but I never made the connection. Until one fine day my life went into ruin. I had failed to succeed in something that was so important in my life. I got so depressed. I did not know where to turn. No human could help me. I, because was desperate(selfish) turned to God. At the same time a dear friend said to me "I have a book for you that may help you" Call it faith, call it coincidence, my life changed. each day I read the book I got closer to God. Within 1 week my life went from the worst time in my life to a blessing. Not because the problems went away, but because when you have God, problems do not exist. I know that if you have never had such experience you probably think I am crazy. I know that because if before I had this experience someone came up to me and told me they have found God and it is better than any orgasm they ever had, I would think they are crazy. But it is true. I am writing this memo, letter, whatever you want to call it. the spelling, the grammar is not the best, I know, but the message is clear. Find God and you are in heaven on earth, do not find God and you are in hell.

A very humble man named Joseph S. Benner; whose human instrument was the channel through which this inspired Message was given to the world, wrote this amazing book in 1940. He has passed on now and thankfully his daughter has continued to publish this work. Here is the Introduction to the book from the Publisher to give you an idea of just how special this book really is. "In order the better to comprehend the deep and vital truths contained in this Message, you are urged to approach each reading of it with a quiet and open mind. Still the intellect and invite your Soul to do the teaching. Read but a sentence at a time, and do not pass to the next until Something within you responds to the truth therein, and clearly points out the meaning for you. More than all, try to realize that the "I" speaking through the Message is the Spirit within, your own Soul, the Impersonal Self, the Real You; the same Self that in other moments of quiet points out to you your mistakes, your follies, your weaknesses, and is ever chiding and aiding you to live up to Its ideals, which It continually holds before your mental gaze. It was to such a quiet mind as this that this Message came during months filled with an intense yearning for the guidance of the Spirit and an opportunity to serve the Loving Father Who had been found to be ever-present and always ready to bless those of His children who loved Him enough to make Him first in their hearts and lives. The help and guidance thus received is passed on to you, for the wise and loving teaching is so unusual and so wholly Impersonal that it will apply equally well to everyone who is ready to receive it.
