I could not wait to get my hands on Yasmin's new book & it was worth every minute of the wait! This book is SO easy to read, hits all of the key points of moon living, includes some very interesting

things I didn't know before, & the information is useful for beginners and advanced astrologers alike. I just read it last night and am already recommending it to my friends & clients! Jennifer LopezAstrologer, Owner & Founder[...]#liveintuitively

WOW! So, I got this just in time for the July Full Moon, and I gathered my tribe and really got into the Full Moon section, and wholly wow! Yasmin has taken something that can be so overwhelming, and made it so comprehensive and beautiful, and empowering- all at the same time. Then, I did a virtual gathering with my tribe for the New Moon, and Yasmin has an entire part of the book on all things new moon, and again! Everyone got so much out of it. I really felt safe with this book, I ordered 2 additional ones for sisters. With sacred gratitude and lunar love... JB

I highly recommend this book for anyone with an interest in astrology or trying to improve their life. Very informative and I can't wait to put into practice what I have learned.
