Black, Blue, & Purple Pain: A Domestic Violence Awareness Anthology

Synopsis

***Â All profitable proceeds benefit the victims of DV/Abuse to help remove them from dangerous situations and start over before it's too late. ***There's a black and blue person out there right now, in pain from the physical violence they suffered from the one they trusted. Their bruises will begin to fade to purple . . . then yellow . . . and eventually will disappear. Their fear will outlast the pain. Their broken bones andÂ will mend, but only physically.Â There's a wounded heart out there. Someone who put faith in another human being, only to have it stripped away and shattered. Words thrown at them that they'll never forget. Mental disturbances which will replay over again for the rest of their existence. Nothing can erase the pain of this, nothing can take away the destruction it causes. Their emotional state becomes broken with no promise ofÂ healing.Â ABUSE.Â It shows its uglinessÂ in many forms. Some you can see. Some hide in the shadows and behind closed doors. Some show no signs at all.Â Sixteen powerful stories from sixteen incredibly talented authors, plus an exclusive excerpt,Â joined together to raise awareness and bring hope to those who need it the most.Â #iAmAwarenessCoordinator: Angel L. Woodz
